Pergola

Assembly instructions

Check the top two threaded holes for misalignment.

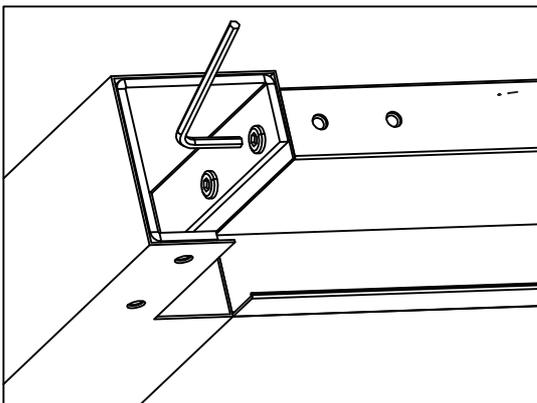

If there is any misalignment, adjust the concentricity of the holes, loosen the side bolts more than 10mm, and adjust the concentricity of the top threaded holes.

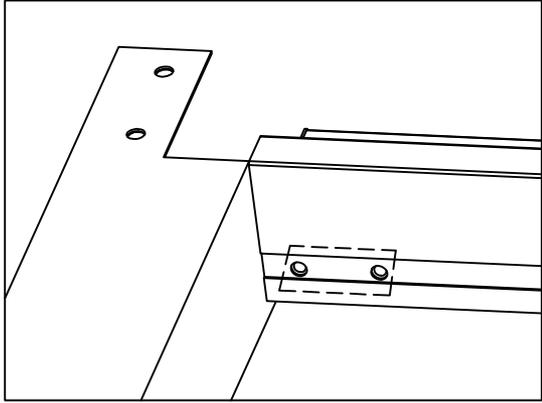

Assemble the lock top screw, and then tighten the side screws.

Check the bottom two threaded holes for misalignment.

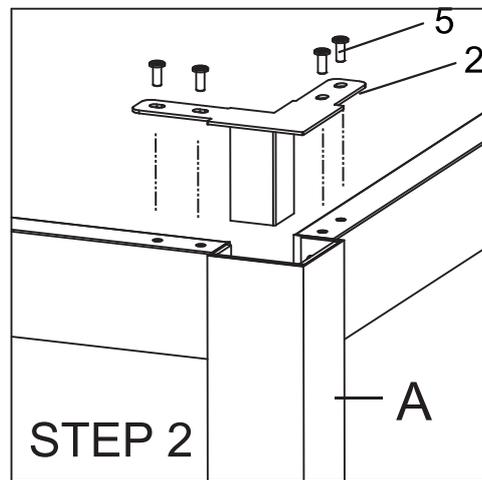

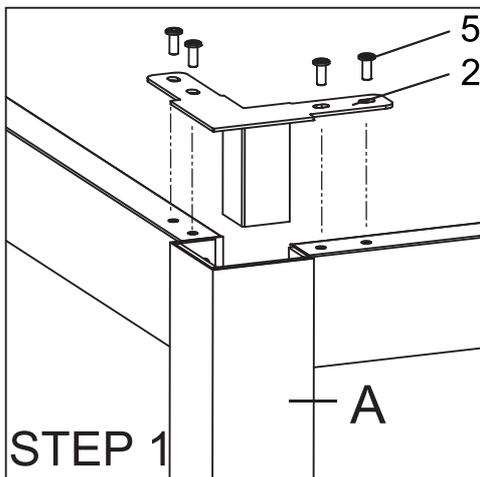

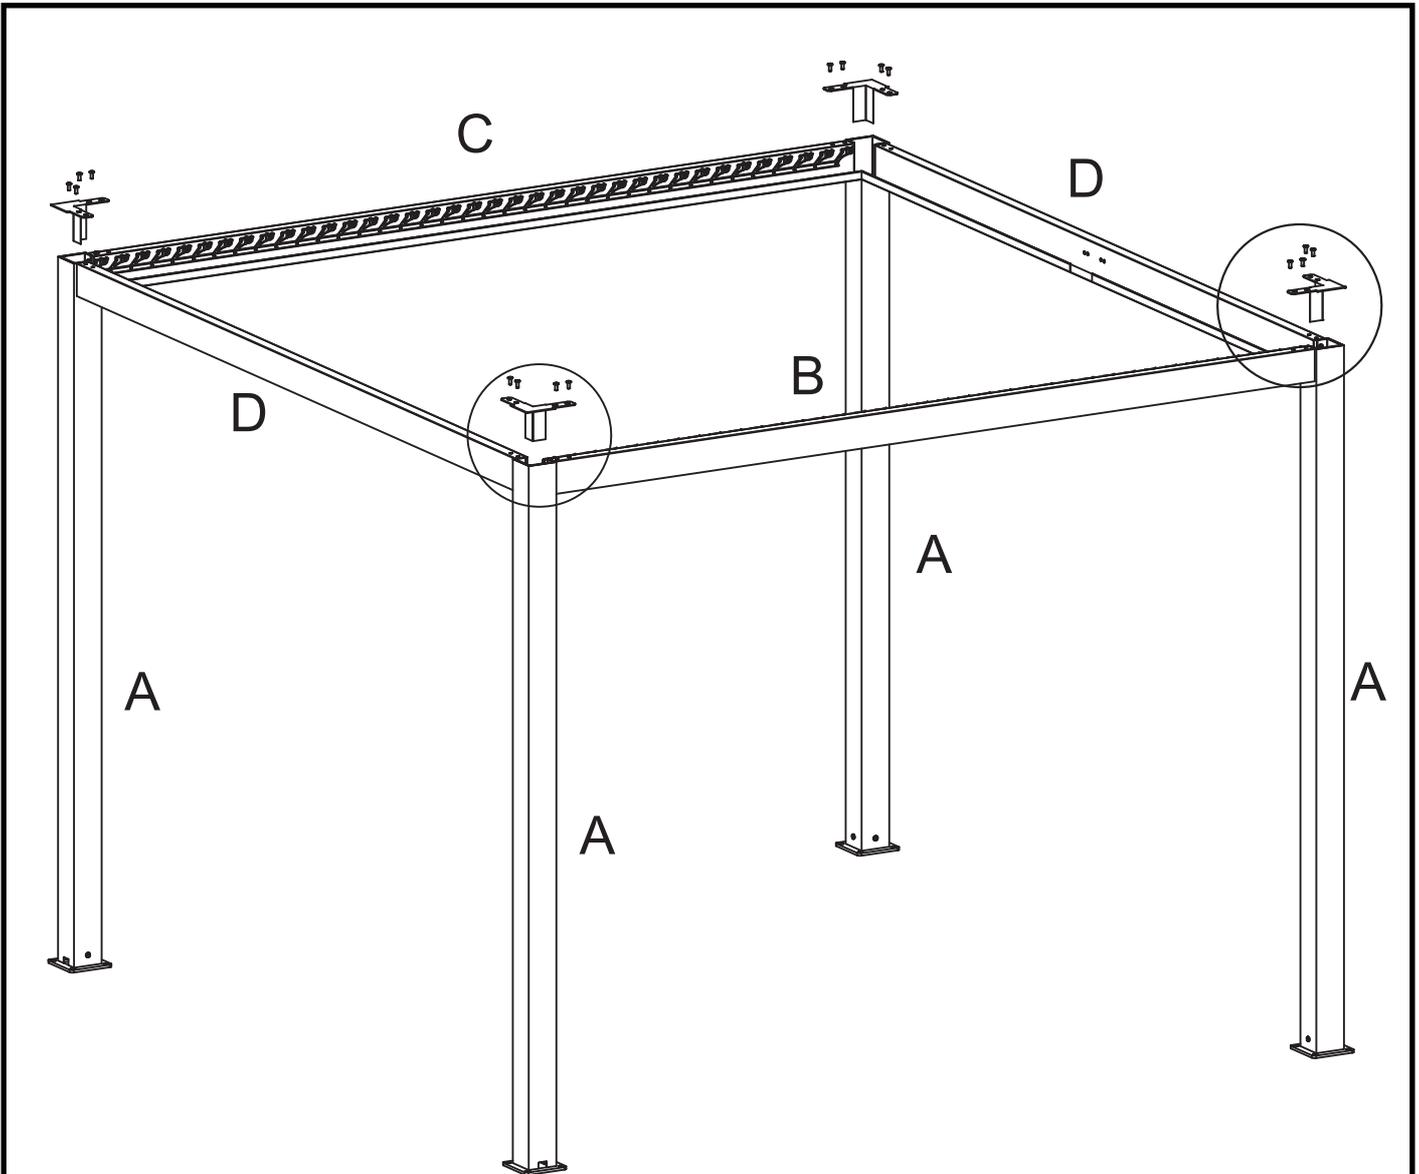

If there is any misalignment, adjust the concentricity of the holes, loosen the side bolts more than 10mm, and adjust the concentricity of the bottom threaded holes.

Assemble the lock bottom screw, and then tighten the side screws.
